Glass to glass lock with stainless steel cover

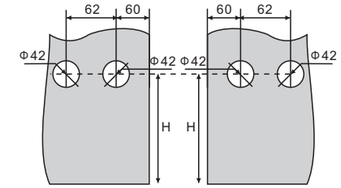
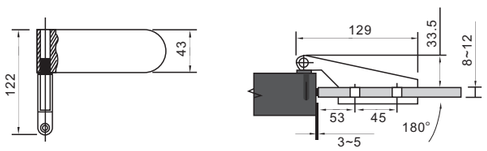
IM-LS-4



Glass to glass lock with stainless steel cover

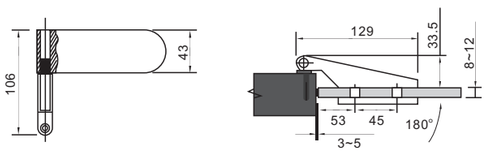
Bifold hinge for main door

IM-HG-1



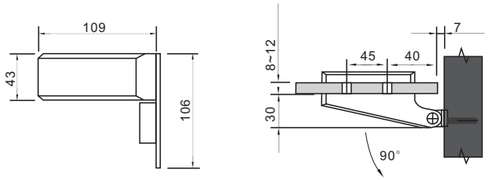
- Bifold hinge
- Material: Stainless steel and Brass

IM-HG-1A



- Bifold hinge
- Material: Stainless steel cover and Aluminum body

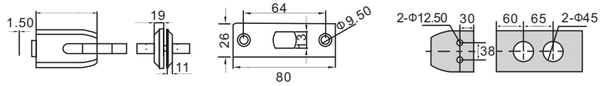
IM-HG-2



- Bifold hinge
- Material: Stainless steel and Brass

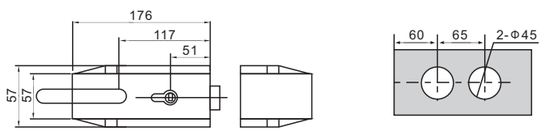
Bifold glass door lock

IM-L-1



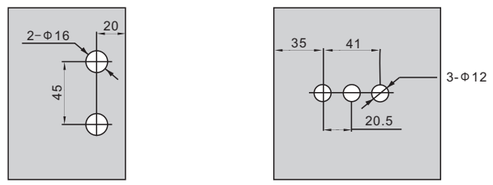
- Glass to wall lock
- Material: Zinc alloy cover and steel lock body

IM-L-2



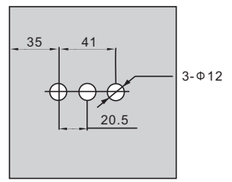
- Glass to wall lock
- Material: Zinc alloy cover and steel lock body

IM-LR-5



- Glass to glass lock with stainless steel cover

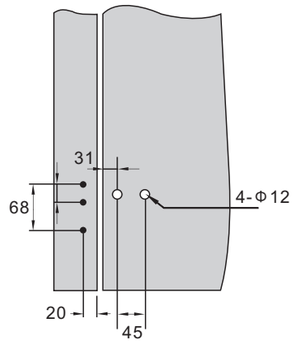
IM-LR-5W



- Glass to wall lock with stainless steel cover

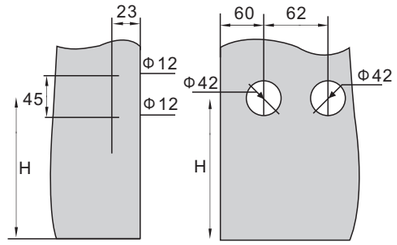
Bifold glass door lock

IM-HG-3



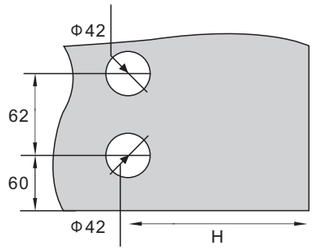
- Bifold hinge
- Material: Stainless steel cover and Aluminum body

IM-LC-1



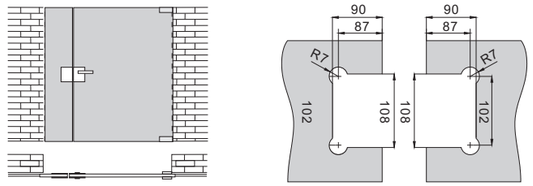
- Glass to glass lock with stainless steel cover

IM-LC-2



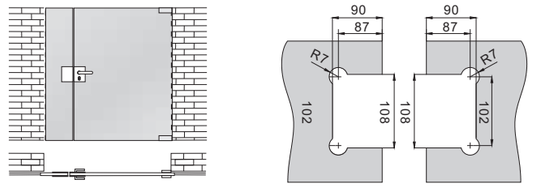
- Glass to wall lock with stainless steel cover

IM-LS-5



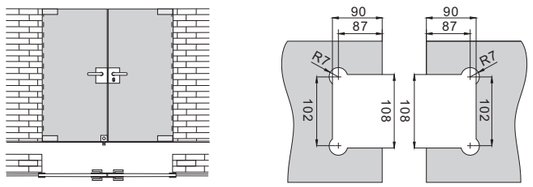
- Glass to glass lock with stainless steel cover(without cylinder)

IM-LS-6



- Glass to glass lock with stainless steel cover

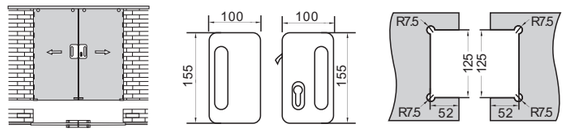
IM-LS-7



- Glass to glass lock with stainless steel cover

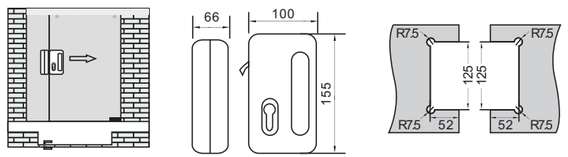
Sliding glass door lock

IM-L-7



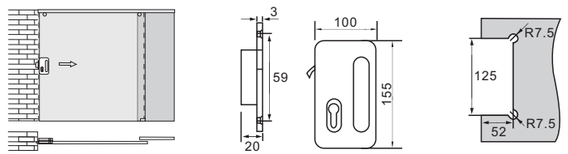
- Glass to glass sliding glass door lock
- Material: stainless steel

IM-L-7R



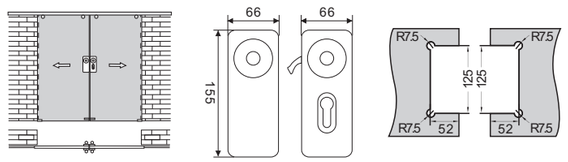
- Glass to glass sliding glass door lock
- Material: stainless steel

IM-L-7W



- Glass to wall sliding glass door lock
- Material: stainless steel

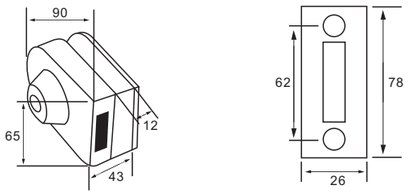
IM-L-15



- Glass to glass sliding glass door lock
- Material: stainless steel

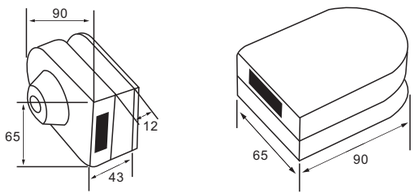
No glass cut out door lock

IM-L-3



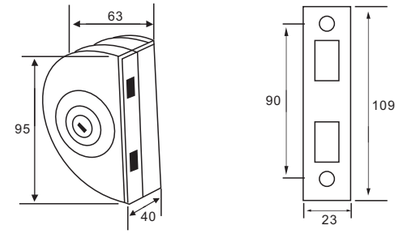
- Glass to wall door lock
- Material: stainless steel cover with steel body

IM-L-4



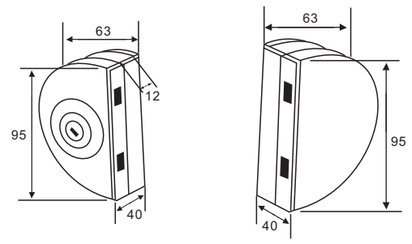
- Glass to glass door lock
- Material: stainless steel cover with steel body

IM-L-5R



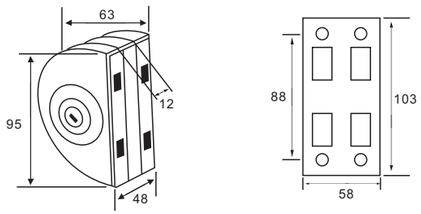
- Glass to wall door lock
- Material: stainless steel cover with steel body

IM-L-5



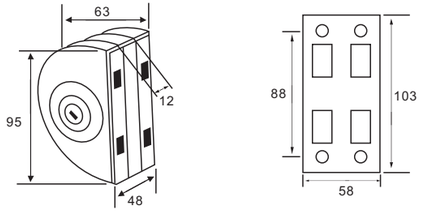
- Glass to glass door lock
- Material: stainless steel cover with steel body

No glass cut out door lock



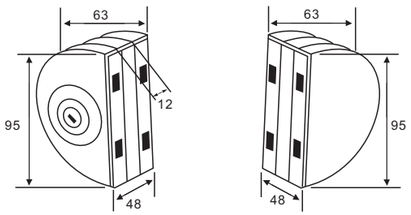
IM-L-6RK

- Glass to wall door lock(1 side cylinder and 1 side knob)
- Material: stainless steel cover with steel body



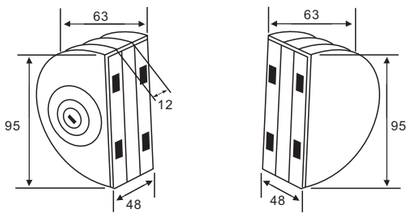
IM-L-6R

- Glass to wall door lock (2 sides cylinder)
- Material: stainless steel cover with steel body



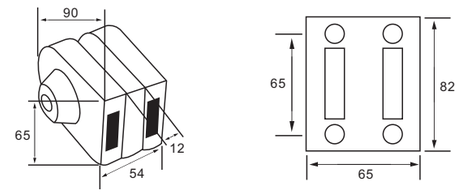
IM-L-6K

- Glass to glass door lock(1 side cylinder and 1 side knob)
- Material: stainless steel cover with steel body



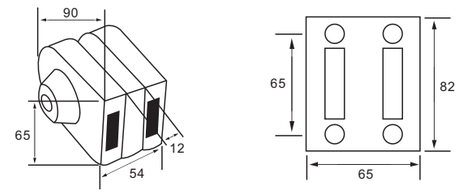
IM-L-6

- Glass to glass door lock (2 sides cylinder)
- Material: stainless steel cover with steel body



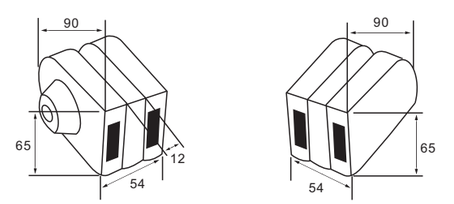
IM-L-9K

- Glass to wall door lock(1 side cylinder and 1 side knob)
- Material: stainless steel cover with steel body



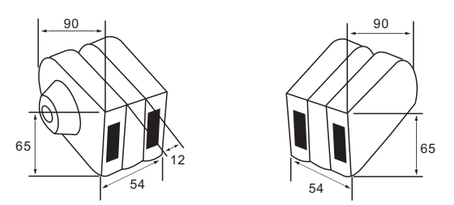
IM-L-10

- Glass to wall door lock (2 sides cylinder)
- Material: stainless steel cover with steel body



IM-L-11

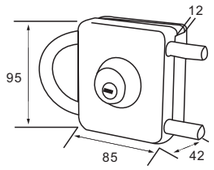
- Glass to glass door lock(1 side cylinder and 1 side knob)
- Material: stainless steel cover with steel body

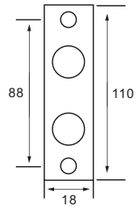


IM-L-12

- Glass to glass door lock (2 sides cylinder)
- Material: stainless steel cover with steel body

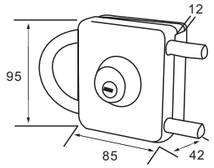
No glass cut out door lock

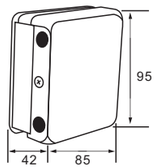




IM-L-13

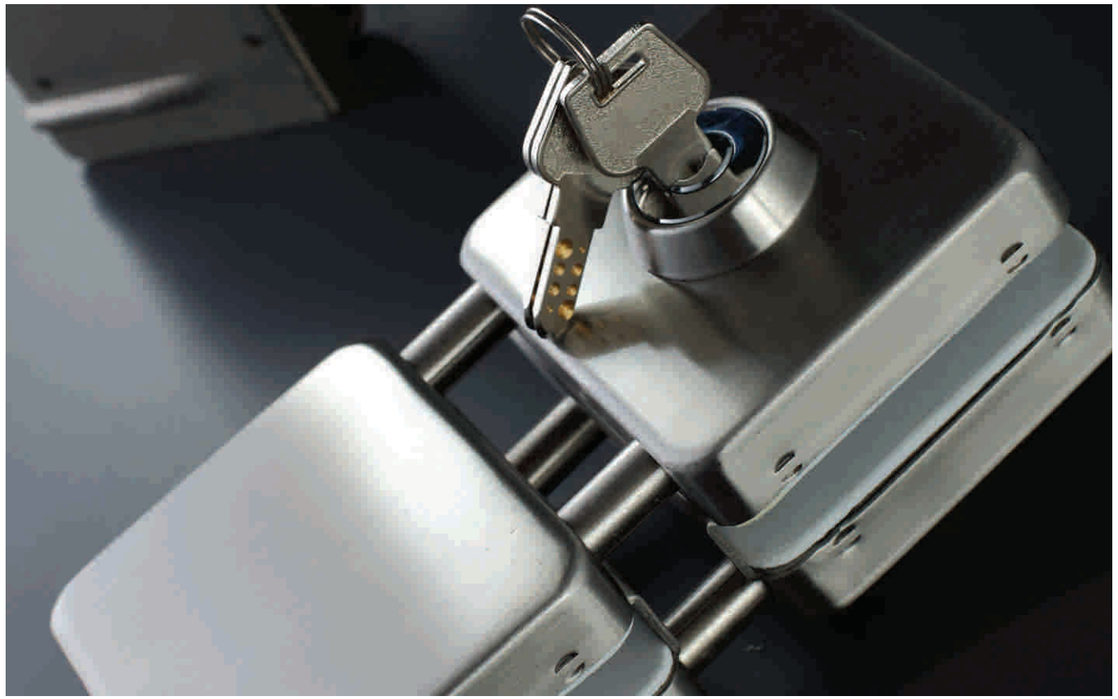
- Glass to wall door lock
- Material: stainless steel cover with steel body





IM-L-14

- Glass to glass door lock
- Material: stainless steel cover with steel body



Stainless steel glass handle lock
